To Whom It May Concern:

On behalf of 4Life Research, I am very pleased to write this letter of recommendation for the law firm of Grimes and Reese, and in particular for Kevin Grimes and Spencer Reese.

4Life Research has received great benefit from the ongoing, professional relationship we enjoy with Grimes and Reese. We have been associated with this firm for a number of years. Throughout the course of our association, Kevin and Spencer have always been and continue to be a great resource of comprehensive, in-depth knowledge and legal expertise.

As the CEO and Founder of 4Life Research, I am happy to recommend Kevin Grimes and Spencer Reese and their law firm, especially to anyone in the network marketing industry.

Sincerely,

A handwritten signature in black ink that reads "David Lisonbee".
